

# Manuscript Interview

Ask yourself these things to improve your manuscript.

1 What does your MC want? What do they need?

---

---

2 Does every scene advance the plot and deepen character?

---

---

3 What is the central "dramatic question"? Are there any chapters it is lost?

---

---

4 Is the MC active or reactive?

---

---

5 What is at stake if the MC fails?

---

---

6 Is the inciting incident soon enough?
